- In terms of the break in, Tuddenham has had a single burglary on 30/04, which has formed part of a wider series across the district of Forest Heath. This series is being owned and managed by our colleagues in CID. They have identified a potential suspect and burglaries in the area have currently stopped, which is positive news!

We continue to patrol all rural areas regularly and when I am on duty, this happens daily. This is to disrupt any potential criminality.

If you wanted to send us future parish council meeting dates, we could look at the calendar to see which ones we would be able to attend.

If you have any further questions, please reach out.
